- Emerald Publishing has partnered with Oxford Analytica to bring their expert briefings to Academia.
- Expert Briefings are responses to macro-economic and geopolitical events, prepared for global political and business leaders to help them understand the implications.
- These are peer-reviewed, un-biased and focus on key events from all across the world, offering in many cases the best English language analysis of complicated events as they happen. Expert Briefings allow students and researchers position their work in real-world context and are available and acceptable on Emerald.com/insight.
- Expert Briefings have a landing page <a href="https://www.emerald.com/insight/content/">https://www.emerald.com/insight/content/</a> briefings with tabs linking to specific subject areas, as well as a link to Expert Daily Briefings where the day's updates can be reviewed. Content is pulled through with key-word and advanced searches through Insight and appear alongside relevant eJournal and eBook content.

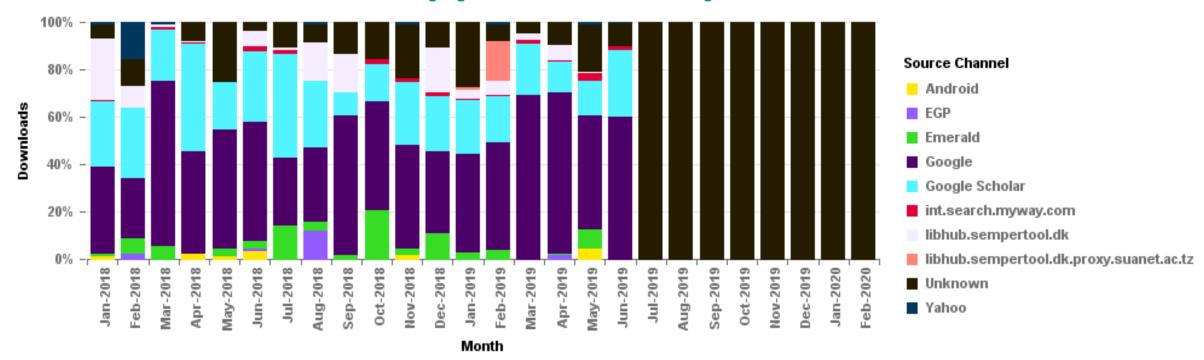

#### **Acquisition Options:**

- **1. Expert Briefings Transactional** come with AiP to 5-year archive of 20,000 briefings published from 2015 2019.
- **2. Expert Daily Briefings Subscription** come with non-AiP access to 'Daily Insights' from Oxford Analytica (approximately 16 daily on all UK working days) plus 5-year archive of 20,000 articles published from 2015 2020.
