Training on how to use LibHub and other Library resources

Dear SUA Community (Lecturers, Researchers and Students); Library is conducting continuous training sessions on how to access and use online information resources accessible at SUA. These trainings are conducted on every Wednesday at 14:00 to 16:00 hours.

The training covers LibHub, TEEAL, SNAL website, Reference management and others.

Please register at SNAL-Main Counter for SUA Main Community and SMC-Library Counter for SMC Community.
